### Design

Bold and robust with metallic silver glass, chrome and stainless steel accents

**Thermador<sup>®</sup> ★**  
*Everything in Its Place*

The ingenuity of Thermador appliances is its ability to be many things at once— a full service kitchen for large parties, a tucked-away rest stop for afternoon espresso, or a cold beverage station anywhere in the house with integrated refrigeration drawers.

# Compact Spaces

## Luxury Comes in All Sizes

Engineered to maximize kitchen space, Thermador appliances come in a variety of configurations to bring luxury design to every kitchen footprint, no matter the size.

# *Must-Have Spaces*

## **Think Outside the Kitchen**

Whether you're enhancing your closet or completing your wet bar, bring Thermador into every space in the house to add a touch of luxury.

# Space to Replace

## Your Kitchen Remodel, Made Easy

Preserve your layout and your cabinetry with thoughtfully engineered appliances crafted to fit into predetermined spaces, such as our culinary preservation columns built to fill 42" or 48" spaces.

# *Leap Into Luxury*

## **Exceptionally Thermador, Irresistibly Priced**

The all-new Masterpiece Oven with Professional Handles and Freestanding Refrigerator combine to create a luxury kitchen suite with impeccable quality and craftsmanship at an irresistible price.

The Masterpiece® Cooktop Collection

Elevated Culinary Experience Meets Optimal Performance.

Thermador combines the heritage of signature features such as our Star® Burner on Gas Cooktops and Rangetops, with an innovative new suite of Induction, Electric, and Gas Cooktops—plus Rangetops. Empower your culinary prowess while exploring model features like Freedom® Induction, the largest cooking surface area within the luxury market.

Gas Cooktops

Innovation

- Thermador Gas Cooktops offer one-of-a-kind Pedestal Star® Burners and ExtraLow® Select simmer with automatic re-ignition.
- Patented Star® Burner's unique five-point design offers more ports and more flame distribution that a round burner.

Performance

- Powerful 18,000 BTU center burner for rapid boiling and high heat searing.
- Thermador ExtraLow® Select offers an unbeatably wide temperature range with simmer settings as low as 204 BTUs, a newly designed LED display, and five distinct and repeatable simmer settings for consistency.

Design

- Progressive illuminated light ring around each knob indicates burners in use.
- QuickClean Base® allows ample room to achieve a sparkling clean cooktop.
- Thermador Gas Cooktops are Star-K Sabbath compliant making it possible to use on the Jewish Sabbath or Jewish Holidays.

Freedom® Induction

Innovation

- Thermador Connected Experience with Cooktop-Hood Sync allows the cooktop and matching hood to communicate with one another to synchronize turning on task lighting and ventilation.
- Cooktop automatically detects the presence of your cookware, and transfers all programmed settings to the next location whenever it's shifted.

Performance

- Freedom® MyZone™ allows you to change a preset power level simply by moving a pot or pan on the cooktop.
- TeppanyakiPro™ allows you to divide your pan into one heated and one non-heated different temperature zones, so you can quickly move ingredients on and off of the heat.

Design

- Featuring the largest fully usable cooking surface area on the market within its class—26% larger than the nearest competitor—the fully usable 36" cooktop surface boasts 56 induction elements enabling you to heat up to 6 pots anywhere on the cooktop.
- Sapphire Glow™ LED embedded surface lights along the sides of cooktop provide visual feedback when a pot is moved or whether a pot is heated or not.

† Also compatible with Pro Grand Ranges, Pro Harmony Ranges and Professional Rangetops.

The Professional Rangetop Collection

Ignite Your Ambition.

Exclusive to the Professional Collection, Thermador combines ultimate personalization with leading technology to introduce high-end ranges that are sure to make a bold statement in any modern kitchen design.

 Home Connect™

 LED Lighting

 Indoor Grill

 Star® Burner

Feature Highlights

LED Bull-Nose Down Lighting

Rangetop offers LED that illuminates the control panel and standout, bold design.

Pro Indoor Grill

Easy-to-clean, indoor grilling feature boasts industry-leading design, featuring ceramic briquettes and fusion coated grill plates that fully cover the heating elements to offer exceptional grilling performance with genuine smoky flavor while minimizing flare-ups. 2 heating zones let you control the front and back zones independently.

QuickClean Base®

The raised pedestal burner and porcelain maintop have been crafted for perfect integration and easy cleanup. A teardrop emboss reduces food buildup near the base.

Our Exclusive, Patented Star® Burner

By creating a perimeter 56% longer than a round burner, the unique star shape allows for more flame ports. Our Star® Burner provides 18,000 BTU/hr of output with a superior heat distribution delivers superior flame spread and a reduced cold spot for faster and more even heating.

5 Burners, 30-Inch Design, Zero Clearance

Delivering the ultimate in luxury performance in a 30-inch design, the powerful burners reach up to 59,000 BTUs yet only require 300 CFM venting. Thanks to an innovative technology that reduces back wall temperatures by as much as 25%,\* this allows for a flush installation against a kitchen wall with zero clearance for complete design flexibility.

ExtraLow® Heat Setting

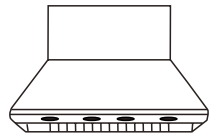

Our ExtraLow® feature provides the widest variety of temperature control of any simmer system. It cycles the Star® Burner on and off to maintain temperatures as low as 100°. Perfect for simmering delicate sauces or keeping food warm without scorching or stirring.

## The Masterpiece® Ventilation Collection

### Clear the Air for More Exceptional Moments.

Redesigned with luxury kitchen ventilation in mind, introducing Masterpiece® and Professional ventilation systems. Personalize your collection with an expanded variety of styles, including sleek vent hoods, range hoods, downdraft, and beyond. New features include Noise Control Technology, and select models offer the Thermador Connected Experience by Home Connect™.

LED Lighting

Noise Control

Cooktop-Hood Sync

### Feature Highlights

#### All Ventilation

- With unique features such as delayed shut-off and automatic mode, Thermador ventilation helps make every meal exceptional, enhancing the culinary experience.
- Thermador hoods feature multi-level, vivid LED lighting.
- The dishwasher-safe filter design makes it easy to keep your filters fresh.
- The Thermador Masterpiece® Series offers two filter types: perimeter filters increase efficiency by pulling air from the edges of the hood and speeding it up in the center; in stainless steel hybrid filters, grease-capturing mesh is protected by stainless steel.

#### Hoods

- Thermador Noise Control & Noise Control Deluxe Ultra 6 ventilation is six times quieter than the average ventilation system, while Ultra16 is sixteen times quieter drastically reduces noise while hood is in use.
- Check grease filter and replace charcoal filter reminders will appear to indicate that the filters need to be cleaned or replaced.

#### Downdrafts

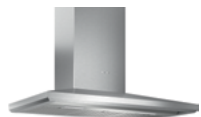

- Available with a 15" or 18" telescopic rise, as well as five discharge connections, including front recirculation, so you are not limited by kitchen design or pre-determined space.
- 18" downdraft also features LED light bars with two different light levels, providing optimal illumination for cooking or reading recipes.

### Additional Options

#### Low-Profile Wall Hoods

Cooktop-Hood Sync allows the cooktop and matching hood to communicate with one another to synchronize turning on task lighting and ventilation.

#### Chimney Wall Hoods

The chimney height is adjustable to fit both high and low ceilings, so you have complete control over the aesthetics of your ventilation.

#### Custom Inserts

Opt for either wall or island applications to suit your style and match your preference of cooking surfaces.

#### Island Hoods

Sleek and slim, these meticulously sculpted, floating stainless steel island hoods catch the eye without obstructing views.

#### Under Cabinet Drawer Wall Hoods & Chimney Drawer Hoods

Masterpiece® Drawer hoods are a masterful blend of luxury and performance. Choose from a chimney drawer hood or the under-cabinet version, featuring an increased capture area, soft-close technology, and sleek built-in design.

#### Star-Sapphire®

Available Early 2021

Delivers the fastest hot water cycle in the industry at just 20 minutes

Experience all the benefits of the Sapphire dishwasher, plus:

Star Dry™

Entertainer's Drawer

Star Glow

### Glass Care Center Dishwasher

Available Early 2021

#### The First Dishwasher Designed Specifically for Glassware

Crafted with a tine-less configuration to maximize capacity for wine glasses, beer steins and more, this dishwasher securely washes your most delicate stems to keep them safe and spotless.

### Star Dry™

The Most Exceptional Drying Power in the World

- Thermador Star-Sapphire and Sapphire dishwashers feature a two-step drying process with zeolite: a naturally occurring substance that generates heat when in contact with moisture.
- Located in the back of the tub, zeolite radiates heat throughout the unit to eliminate moisture without the use of chemicals, and with no need for replenishment.
- Zeolite reduces the need to towel dry items or leave them to air dry—even sturdy plastics and containers with hard-to-reach crevices.
- No other dishwasher dries better.

## Pro Grand® Ranges Collection

### From the Professional Collection

Featuring bold, iconic design elements including temperature gauge, color TFT display, bullnose front, and milled stainless steel knobs with down lighting, Pro Grand® Ranges stand out with quality craftsmanship and close attention to detail.

### Product Highlights

#### 36-Inch Pro Grand® Ranges

- Liberty® Induction Module Option
- Color TFT Interface
- Soft Close® Hinges
- Extra large oven capacity - up to 5.7cubic feet
- 22,000 BTU Patented Pedastal Star® Burners

#### 48-Inch Pro Grand® Ranges

- Liberty® Induction Module Option
- Color TFT Interface
- Soft Close® Hinges
- Extra large oven capacity - up to 5.7cubic feet
- 22,000 BTU Patented Pedastal Star® Burners
- Dual Zone, Double Griddle
- Multi-Point Temperature Probe

#### 60-Inch Pro Grand® Ranges

- Large Capacity Ovens - 10.6 cubic feet (largest combined capacity on the market)
- Color TFT Interface
- Soft Close® Hinges
- Flush Wall Install
- 22,000 BTU Patented Pedastal Star® Burners
- Dual Zone, Double Griddle
- Multi-Point Temperature Probe

### Feature Highlights

#### Liberty® Induction Module

Available on the 36" and 48" range sizes, the Liberty Induction Module features two induction zones for added flexibility, plus HeatShift® technology, which automatically adjusts the heat when a pot or pan is moved from one zone to the other.

#### Removable Griddle and Grill Accessory

Our 12" non-stick, corrosion resistant cast-aluminum easy-clean coated surface griddle is thermostatically controlled to deliver consistent, even heating across the entire surface. It is also removable for easy cleaning or interchange it with our grill accessory\*. Our non-stick, rust-proof cast-aluminum grill accessory features an easy-clean coated surface that is dishwasher-safe.

\*Grill accessory sold separately

#### ExtraLow®

Our ExtraLow feature provides a wide range of temperature control. It cycles the patented Pedestal Star® Burner on and off to maintain a very low temperature. Perfect for simmering delicate sauces or keeping food warm without scorching or stirring.

## Built-in Fully Automatic Coffee Machines

### The Perfect Cup of Coffee, Whenever You Need It

With eight customizable beverage settings, built-in grinder, automatic cleaning, and drink orders you can send from your phone to create a personalized Coffee Playlist, Thermador's built-in Coffee Machine will take your coffee break to the next level.

### Product Highlights

#### 24-Inch Plumbed Coffee Machine

- Direct Plumbed Installation for Water and Drain Connection
- Equipped with Home Connect™
- Full color LCD display
- Automatic steam cleaning for the milk system
- Adjustable grinding settings for very fine to coarse density

#### 24-Inch Non-Plumbed Coffee Machine

- Refillable Water Reservoir
- Equipped with Home Connect
- Full color LCD display
- Automatic steam cleaning for the milk system
- Adjustable grinding settings for very fine to coarse density

#### Home Connect™

With remote access through the Home Connect™ app, your coffee fits seamlessly into your day. Customize operations, create 28 coffees from around the world, and get exclusive access to delicious coffee-inspired recipes—all from your phone or tablet.

### Feature Highlights

#### Coffee Playlist

Using your mobile device, set your machine to make multiple cups of coffee consecutively, in the order you choose—so you can prepare drinks for each guest right from the dinner table, without ever missing a beat.

#### Automatic Cleaning

Cleanup has never been easier. Using both hot water and steam, the machine features a fully automatic rinse program at turn-on and turn-off, so it's always ready for the next fresh-tasting pour.

#### Ceramic Disk Grinder

Enjoy freshly ground coffee for every cup with an exclusive Ceramic Disk Grinding System. Ceramic Disks deliver quality performance and minimize noise allowing for a smooth, consistent texture and flavor in every cup.

## Introducing the All-New Star Savings Estimator

**Take the Guesswork Out of Your Customer's Next Appliance Upgrade.**

The all-new Star Savings Estimator calculates savings, as well as Free product and Upgrade selections, while letting them customize their very own luxury suite.

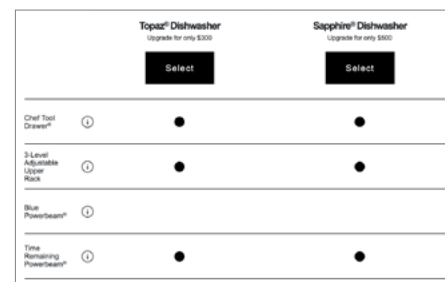

### Overview

Dynamic online estimator makes it easy to create customized ONE-TWO-FREE® product packages.

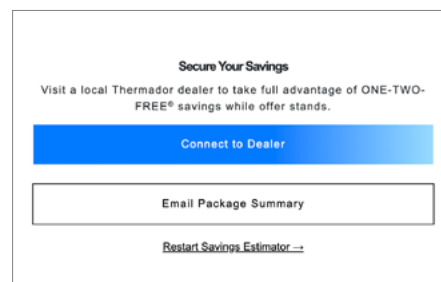

Step-by-step tool guides consumers through product selection and options for Free products and Upgrades.

Provides feature information and comparison charts to help make optimal product decisions.

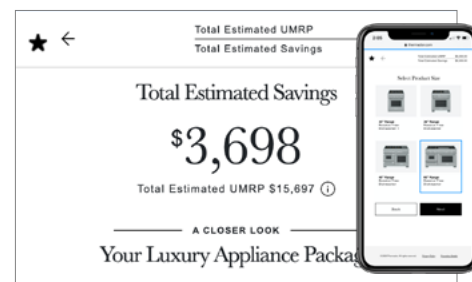

Automatically calculates UMRP and promotion savings based on product selections.

Once package is completed, consumer has option to email local dealer. Dealer will receive email with PDF of package details for reference.

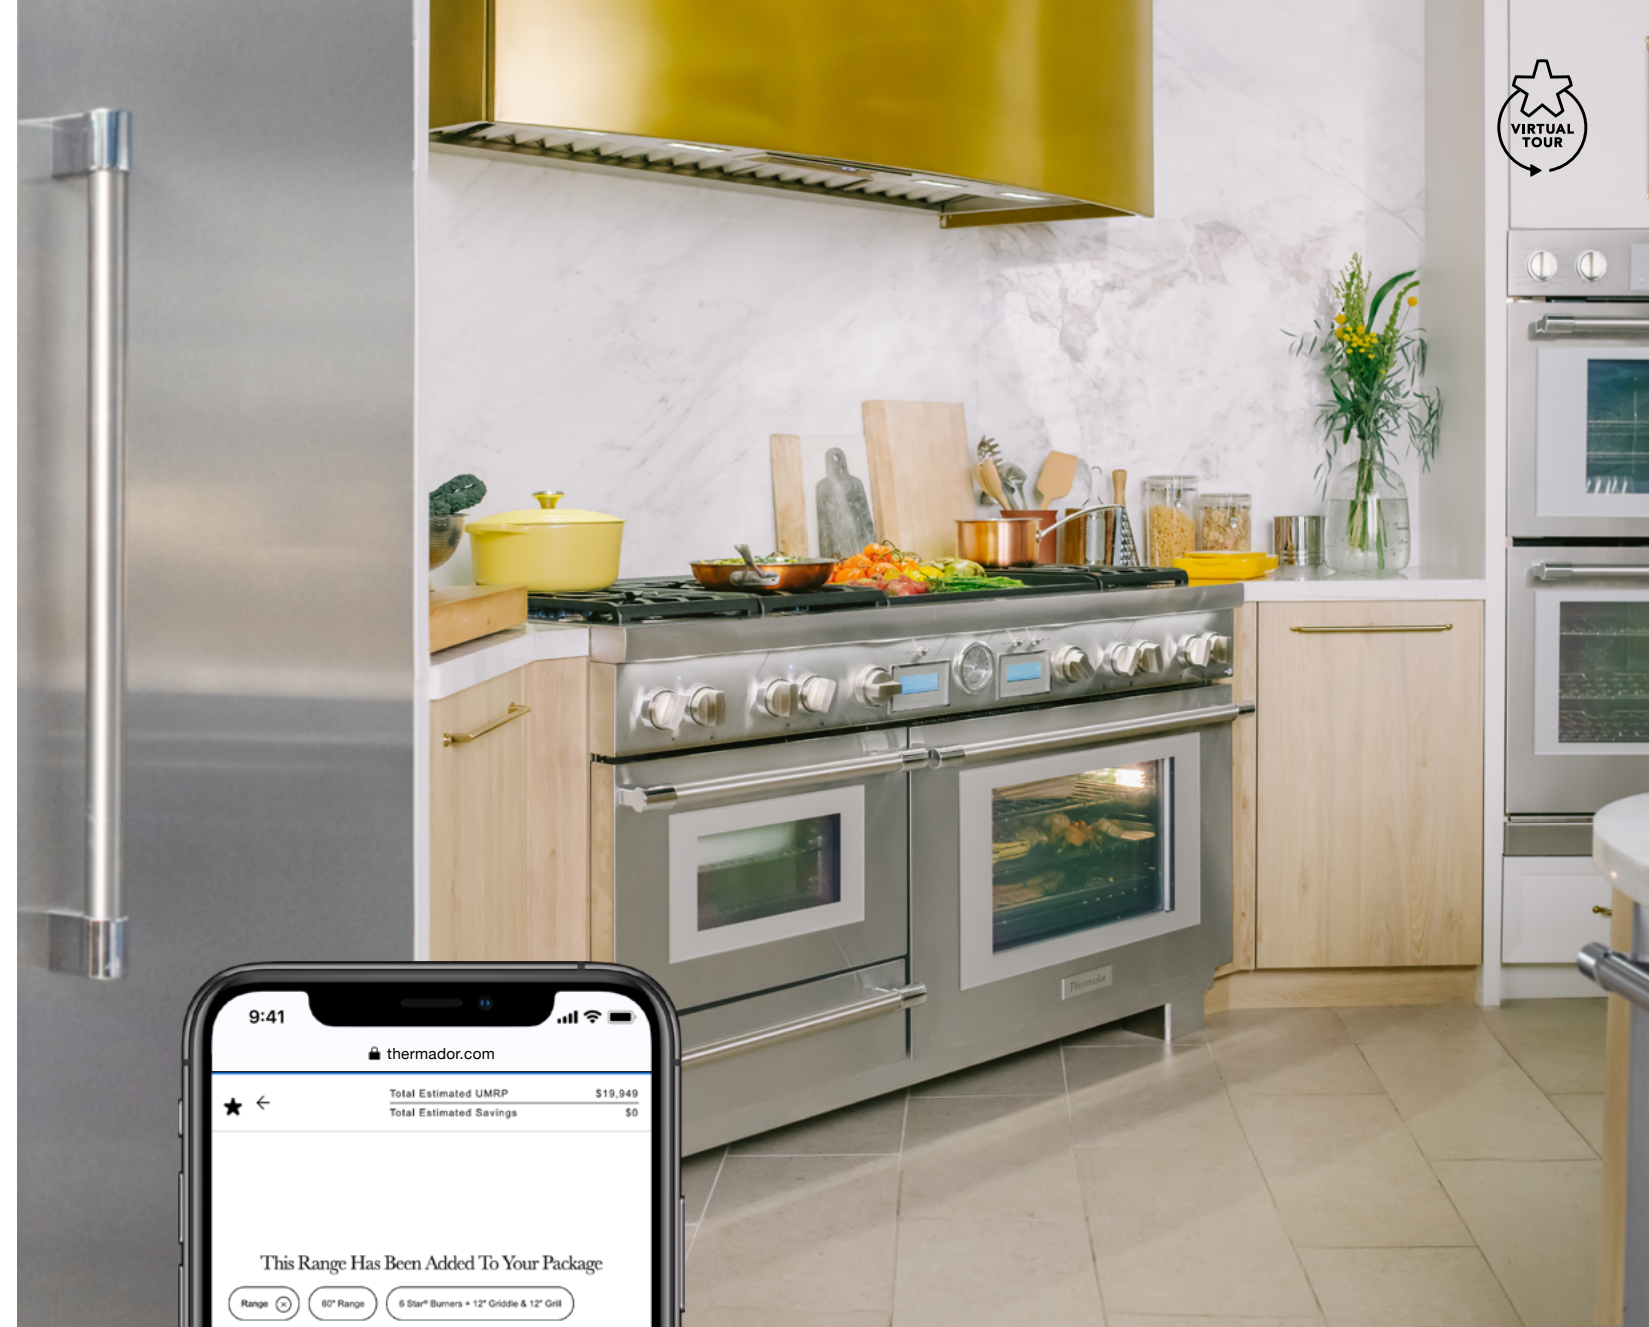

Note: PDF is not a sales order. Sales Associate should review product summary with customer in full before placing order. Accessories are not included.

Estimator tool is optimized for website, tablet, and smart phone.

Leverage the Thermador **Star Savings Estimator** to increase package sales and help consumers create a completely personalized Thermador kitchen!

Design your package by visiting **ONE-TWO-FREE.COM**
